It is enveloped by the surrounding mountains of the "Hohe Tauern", the soft hills of the "Nockberge" and the "Goldeck", which already belongs to the Gailtal Alps.

### CULINARY

A day in the "Natur-Kraft-Raum" begins with a breakfast with products from this cultural landscape. Many of these products are homemade anyway, like bread, jams, honey or juices. The breakfast eggs, the cereals and mostly also also the meat and the cheese, but also the dairy products, come from domestic production. The "Alpine Garden" at 1000 m above sea level supplies vegetables, fruits and tea herbs, which are then processed in the solar dryer.

Guests choose between bed and breakfast or half board. Also in the restaurant the products from the local agriculture and from the own garden play the most important role.

### ACTIVITIES

Guest-hiking with the boss of the house (certified mountain and ski guide), who is also gladly with all mountain and hiking activities with words and deeds aside. The "Millstätter See inclusive Card" is included in the room rate and allows, among other things, the free entry to the water around Lake Millstätter See or even a discount to the bathhouse Millstatt.
